During the evening, Lt. Roger Sabourin, Commanding Officer of the Sea Cadets, accepted a surprise gift of \$1000.00 from the Elizabeth Wadsworth Chapter, National Society Daughters of the American Revolution. Paula (Mrs. Roger) Allen, a member of the Chapter presented the check to Lt. Sabourin. Mrs. Allen stated that two of the missions of NSDAR are the support of education and patriotic endeavors. The mission of the Naval Sea Cadet program is to encourage development of lifelong skills, teach patriotism and prepare for secondary education, either college or the military. The two organizations have complimentary missions.

The members of Elizabeth Wadsworth Chapter believe that these young men and women from all over the state of Maine, deserve support as they attend drills each month to meet the goals of the program. This gift will be used for uniforms for the Cadets and educational programs.
